# IMPROVE HANDLING WITHOUT COMPROMISING COMFORT

KONI Special ACTIVE is the next generation of premium shock absorbers that offer superior handling without compromising comfort. It is the latest advancement in the KONI product portfolio. Utilizing the most recent generation of KONI's patented Frequency Selective Damping Technology (ACTIVE Technology), it controls large body motions and cornering forces but smooths expansion joints and rough roads for improved comfort.

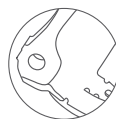

- Improves safety and road holding
- Technology proven on over 1.5 million factory equipped vehicles
- Secure and stable feeling for spirited driving
- Unrivalled aftermarket solution can be fitted to most new and older cars
- Driving refinement for cars, pick-ups, SUVs, etc.
- Technology that rivals expensive electronic systems
- Performance for driver and comfort for passengers in one

Perfect match for all standard and Sport OE springs

ACTIVE Technology for improved ride comfort

Perfect for replacement or vehicle improvement
