World premiere of the new Chevrolet Corvette Stingray via livestream

ZURICH – The late Zora Arkus-Duntov, the father of the Chevrolet Corvette, had a vision for a mid-engine Corvette. That vision will come to life on the evening of July 18, 2019, in Orange County, California.

Fans and media representatives around the globe can watch the much-anticipated unveiling performance of the reveal via livestream.

The livestream starts at 7:30 p.m. PDT on July 18 and can be accessed through media.chevrolet.com/nextgenCorvette. Please note the time difference of +9 hours in Europe: here, the unveiling can be watched on July 19 at 04:30 a.m. CET.

Further information will be provided on the [US](#) and [European media websites](#) following the world premiere.

Founded in 1911 in Detroit, **CHEVROLET** is one of the world's largest car brands, doing business in more than 100 countries and selling more than 4.0 million cars and trucks a year. Chevrolet provides customers with fuel-efficient vehicles that feature engaging performance, design that makes the heartbeat, passive and active safety features and easy-to-use technology, all at a value. More information on Chevrolet performance car models can be found at www.chevroleteurope.com.
