

TECHART presents new carbon parts for the Cayenne Coupe models.

The ultimate GT styling upgrade. TECHART offers a new level of personalization and performance with its latest lineup of striking carbon fiber products for the Porsche Cayenne Coupe models.

Leonberg, December 1st, 2023 – Genuine TECHART carbon fiber parts enhance the individual aesthetics of every Porsche model. Expanding upon this design line, the already available TECHART Aero Engine Hood and the new visible carbon fiber options provide a comprehensive range of sporty customization options for the Cayenne Coupe models.

Exclusively available for the Cayenne Turbo GT's front apron, the new TECHART Air Intake Frames define a powerful and distinctive look. The new TECHART Rear Spoiler, Roof Spoiler End Plates and Aero Curtains for both sides of the rear hatch can be installed on all Cayenne Coupe models. The expressive styling of the carbon fiber components significantly sets apart the individualized Cayenne from the series model.

TECHART carbon fiber parts for the Cayenne Coupe models:

- TECHART Air Intake Frames (fits Cayenne Turbo GT only)
- TECHART Aero Engine Hood
- TECHART Rear Spoiler
- TECHART Roof Spoiler End Plates
- TECHART Aero Curtains Rear Hatch

Notably, the TECHART carbon parts come equipped with a general operating license (Allgemeine Betriebserlaubnis, ABE) issued by the Federal Motor Transport Authority.

Discover the full individualization program for the Cayenne models at techart.com/cayenne and in realtime 3D in TECHART's state-of-the-art online configurator at techart.com/buildyourown.

TECHART

PRESS INFORMATION

TECHART Automobildesign. The Brand. The Company.

TECHART Automobildesign GmbH, with its headquarters in Leonberg near Stuttgart, sets global standards in terms of premium refinement for Porsche cars. Founded in 1987, TECHART has been living this passion for over 30 years. With consistent implementation of own ideas and developments, high quality standards and continuous brand development, the company became an internationally renowned trademark with sales partners all over the world.

TECHART's product range offers refinement options for any Porsche model and every section of the vehicle: aerodynamic improvement and exterior styling, technical optimizations such as engine powerkits, exhaust systems, wheels, suspensions or assistance systems, as well as bespoke interior personalization, manufactured by TECHART's inhouse saddlery and upholstery shop.

Approved as an internationally registered vehicle manufacturer and certified as Authorized Economic Operator (AEO-F) by the European Union, TECHART is the premium brand for the refinement of Porsche cars worldwide.
