***Geneva, 2024, January 11th – NEXUS Automotive International is thrilled to announce that the next N! Business Forum 2024 will be held in the Principality of Monaco, from March 5th to 7th, 2024 to mark the 10th anniversary of the leading aftermarket community.***

During the course of this three-day event, there will be a special 10 years anniversary edition plenary session, a prestigious gala dinner and a new format for the meetings between suppliers and N! members. This event will highlight

the path that the latest trends are taking, and provide the opportunity to solidify relationships and accelerate the business opportunities within the N! Community.

The event will open with the 2nd edition of the NEXUS Climate Day, bringing together the N! community representing the whole supply chain (global suppliers, leading regional distributors, associations, rating agencies & experts) around a common cause: sustainability.
