

## Polestar

### **Polestar 3 named safest Executive Car of 2025 by Euro NCAP**

- Polestar 3 receives Best in Class award as safest Executive Car of 2025 by independent body Euro NCAP
- Flagship SUV previously achieved a five-star Euro NCAP safety rating, setting new standards for child occupant protection
- Third model in brand's line-up with top safety honours from Euro NCAP

**GOTHENBURG, SWEDEN – 14 January 2026.** Polestar 3 has been awarded Euro NCAP's Best in Class award for safest Executive Car of 2025, reinforcing its position as a safety benchmark in its class. This accolade affirms Polestar's commitment to protecting occupants and road users through cutting-edge engineering and advanced safety technologies.

This award follows the April 2025 announcement when Polestar 3 achieved a five-star Euro NCAP rating and 87% score overall in the then latest round of safety tests. The brand's flagship SUV impressed with remarkable scores of 90% for adult occupant protection, 93% for child occupant protection – at that point the highest score of any passenger car tested by Euro NCAP in the past nine years – 79% for vulnerable road users, and 83% for safety assist.

At the time, Euro NCAP praised Polestar 3 for setting “a new standard for child safety”, with performance “tantalisingly close to a perfect score.” This achievement underscores Polestar's dedication to safety as an integral part of its performance ethos.

Gerry Yang, Polestar CTO, says: “Safety is a central part of our DNA thanks to our close collaboration with Volvo Cars. Polestar 3 incorporates among the latest advanced structural innovations and advanced driver assistance systems, which all played a part in delivering the exceptional test results we have seen here.”

Polestar 3 is the third model in the brand's line-up, together with Polestar 2 and Polestar 4, to have undergone testing and received top honours by Euro NCAP.

Find more information about the advanced safety systems that contributed to this safety accolade for Polestar 3 here: <https://www.polestar.com/polestar-3/safety/#safety>.

Ends.

#### **Notes to editors**

The Best in Class award is presented annually by Euro NCAP to the top-performing vehicles in each category, based on their overall safety scores across four key areas: Adult Occupant, Child Occupant, Vulnerable Road Users, and Safety Assist. Polestar 3's exceptional results in these tests secured its place as the safest Executive Car of 2025.

#### **About Polestar**

Polestar (Nasdaq: PSNY) is the Swedish electric performance car brand with a focus on uncompromised design and innovation, and the ambition to accelerate the change towards a sustainable future. Headquartered in Gothenburg, Sweden, its cars are available in 28 markets globally across North America, Europe and Asia Pacific.

Polestar has three models in its line-up: Polestar 2, Polestar 3, and Polestar 4. Planned models include the Polestar 5 four-door GT (to be introduced in 2025), the Polestar 6 roadster and the Polestar 7 compact SUV. With its vehicles currently manufactured on two continents, North America and Asia, Polestar plans to diversify its manufacturing footprint further, with production of Polestar 7 planned in Europe.

Polestar has an unwavering commitment to sustainability and has set an ambitious roadmap to reach its climate targets: halve greenhouse gas emissions by 2030 per-vehicle-sold and become climate-neutral across its value chain by 2040. Polestar's comprehensive sustainability strategy covers the four areas of Climate, Transparency, Circularity, and Inclusion.

#### **Forward-Looking Statements**

This press release contains statements that are not historical facts, but rather forward-looking statements within the meaning of Private Securities Litigation Reform Act of 1995. Such forward-looking statements include those that address activities, events or developments that Polestar or its management believes or anticipates may occur in the future. All forward-looking statements are based upon, as applicable, our current expectations, various assumptions and data available from third parties. Our expectations and assumptions are expressed in good faith and we believe there is a reasonable basis for them. However, there can be no assurance that such forward-looking statements will materialize or prove to be correct as forward-looking statements are inherently subject to known and unknown risks, uncertainties and other factors which may cause actual future results, performance or achievements to differ materially from the future results, performance or achievements expressed in or implied by such forward-looking statements. Numerous risks, uncertainties and other factors may cause actual results to differ materially from those set out in the forward-looking statements, including those risks and uncertainties set forth in the sections entitled "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in Polestar's Form 20-F, and other documents filed, or to be filed, with the U.S. Securities and Exchange Commission by Polestar. For any forward-looking statements contained in this or any other document, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and we assume no obligation to update publicly or revise any such statements in light of new information or future events, except as required by law.
